

Turk and Runt Dinner Theater:

Print out the pages to create paper bag puppets for all the characters. Then, hide behind the couch and put on your own presentation of this Thanksgiving comedy!

You'll need:

Print Outs (see attached)

Glue

Scissors

Crayons and markers

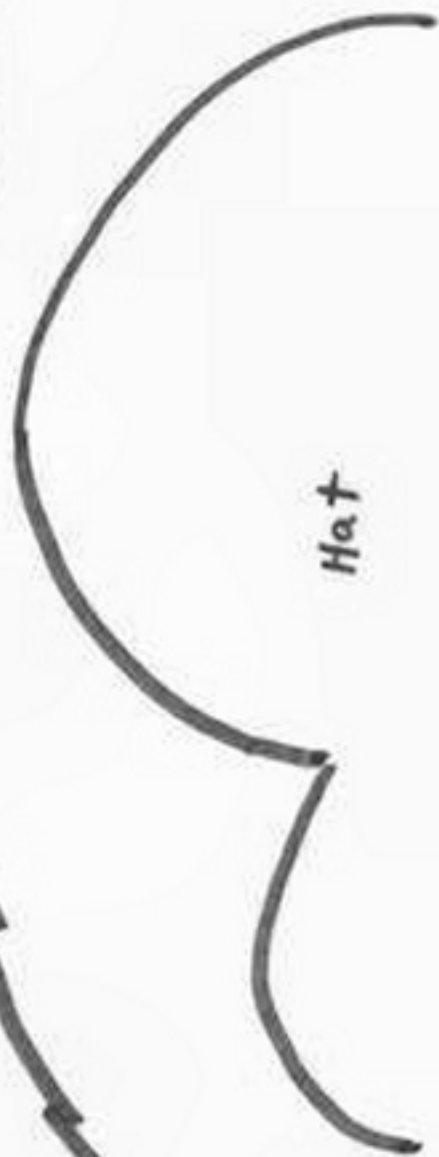

Paper lunch bags

...and a variety of voices

After coloring, glue characters to the paper bag. The mouth section goes underneath the flap of the paper bag, so that it looks like the animal or person is talking!
